

ANDRES SOSA

FULLSTACK DEVELOPER AND DATA SCIENCE

I'm Andrés Felipe Sosa Yepes, a passionate self-taught programmer and data scientist. I have full-stack skills in frontend development with React, CSS, Tailwind, Bootstrap, and backend systems with Node.js, MongoDB, Nest.js, Docker, PostgreSQL, and AWS. I also have knowledge in Power BI and Python. I'm always looking for new challenges and constant personal and professional growth
